# **NEW BOOKS**

**INFORMATION BULLETIN**

**2010  
Half-yearly**

**YEREVAN 2011**

## FOREWORD

For the purpose of providing information to scientific institutions, libraries of the republic as well as to students and employees of various fields of science on new literature entered the NLA (National Library of Armenia), the department of Bibliography, Scientific Research and information compiles and publishes annual bulletin titled "New books".

The articles in the bulletin are classified according to scientific fields and relevant sections in foreign (European) languages.

The titles of the books in persian language are given in latin alphabet.

In order to help reader to find the book, on the left side of the book card description it's marked the (press mark) code of certain book. Readers can use above mentioned literature in the reading rooms of the library.

The part of these books have been donated by the publishing houses of the Republic as well as by individuals and benevolent foundations, to whom we express our sincere gratitude. The bulletin shall be published for service use and have additional indexes.

You can send your remarks and proposals to the Department of National Bibliography and information on the following address:

Yerevan 375009, 72 Teryan st.  
NLA, Department of. Nat. Bibliography,  
Scientific Research&information.
